

Round Bale Hugger – Dual Cylinder

The dual cylinders allow for excellent gripping pressure. Works well for wet or dry bales.

- Handles 4' - 5' diameter bales
- Rounded corners won't puncture bale
- Rugged four-pipe construction
- 2 1/2" x 6" hydraulic cylinders
- 37" high x 48" long arms
- Arms will not swing when driving empty

Our bale handling equipment is manufactured with universal mounts which fit most Bobcat, John Deere, Gehl, New Holland and Case skid loaders. We also manufacture attachments for many other skid loaders and tractor loaders. Non-universal attachments are available for an additional cost.
